M/S Koca Yusuf 1

The Koca Yusuf I (The Grand Yusuf I) is a Turkish 30 metre Deluxe Class Gulet built in 2004. This traditionally hand crafted vessel is combined with today's technology to produce a yacht that is spacious and very comfortable.

She was built on the Bozburun Peninsula, her interior is handcrafted in selected and unstained mahogany, hand polished and varnished.

She has 6 double cabins and 2 twin cabins (total 8), all with A/C to comfortably accommodate 16 guests.

Her equipment includes Hi-Fi stereo etc for entertainment and sports equipment includes wind surfer and tender boat etc.

Her crew consists of four members, captain Mehmet (who speaks excellent English), cook, host and deck hand.

The Koca Yusuf I has earned a good reputation for friendly and relaxed luxury cruises. Many of her guests return each year to enjoy the experience of sailing on this spacious yacht and exploring the fabulous Turkish coastline and local Greek Islands.
